402 New York 3, New York. Dec. 9, 1962 Mr. Lee H. Oswald Box 2915 Dallas, Texas. Dear Mr. Oswald: Your letter and reproductions were turned over to me by the SWP office. I am familiar with reproductions and offset printing processes. It is clear from your work that you are skilled at blow-ups, revocates and reproduction work generally, to you do say other phases of the process as well as photography? What shut inyout and art work? We have access to a small offset shop here in New York. Generally, when we need any copy work done we have taken it there directly. However there might very well be occasion when we could utilize your feell for some printing project. It would, of courses, beconsarily have to be a project in which we would have flexibility as to time. It is not becentaring some to with a project in which we would make containing all to limit. As it amends to do anything in which there is pressure to got a job out immediately through correspondence between New Tork and Texas. Such work must be done locally, out of mocessity. However, for a longer term project it might be possible to salk your sid. Could you write to me directly at the above address? I would like to know what size owners you know, how large a paper print you can make, how large a negative, and any other technical information that you can give so that would bey to pingle how your aid could be most effective. If you have any questions planae faith faul free to you me and I will try to respond promptly. With best wishes for a year of progress Are chit Bob Chester.
